Book Condition: New. Publisher/Verlag: Simon & Schuster UK | Sometimes someone walks into your life and changes everything . | Die nicht ganz unproblematischen Leben von vier sehr unterschiedlichen Frauen verflechten sich in unerwarteter Weise in diesem neue Roman der Bestseller Autorin Jennifer Weiner. | Jules Wildgren is a Princeton senior with a full scholarship and a family she's ashamed to invite to Parents' Weekend. Tall, blond, and outwardly identical to her prep-school-educated classmates, her plan is to take the ten thousand dollars she'll receive from donating her 'pedigree' eggs and try to save her father from addiction. Annie Barrow is a working-class mother of two who scrapes by on her husband's single paycheck. After watching a TV show about surrogates, she thinks she's found a way to recover a sense of purpose and bring in some extra cash. India Bishop, thirty-eight (really forty-three), believes she's found her happy ending when she marries a wealthy, older man, Marcus Croft, but decides a baby will seal the deal. When her attempts at pregnancy fail, she turns to technology, and Annie and Jules, to make her dreams come true. | Format: Paperback | Language/Sprache: english | 210 gr | 384 pp.
