An utterly authentic story of first (and second and third) love, told in accessible free verse and featuring a new cover and larger trim size. It's not that I'm boy crazy. It's just that even though I'm almost fifteen I've been having sort of a hard time trying to figure out the difference between love and lust. It's like my mind and my body and my heart just don't seem to be able to agree on anything. Get to know Sophie, a freshman in high school who's struggling through the daily grind and all the crushes that come with it, as she shares her innermost thoughts and feelings in this remarkably relatable novel in verse from Sonya Sones.

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that I am sure that I will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
