

Ancient Art and Ritual (Paperback)

Filesize: 2.07 MB

Reviews

*It is in a single of the best book. This is for those who statte there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Dr. Barney Robel Jr.)*

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.It may be well at the outset to say clearly what is the aim of the present volume. The title is Ancient Art and Ritual, but the reader will find in it no general summary or even outline of the facts of either ancient art or ancient ritual. These facts are easily accessible in handbooks. The point of my title and the real gist of my argument lie perhaps in the word and -that is, in the intimate connection which I have tried to show exists between ritual and art. This connection has, I believe, an important bearing on questions vital to-day, as, for example, the question of the place of art in our modern civilization, its relation to and its difference from religion and morality; in a word, on the whole enquiry as to what the nature of art is and how it can help or hinder spiritual life. I have taken Greek drama as a typical instance, because in it we have the clear historical case of a great art, which arose out of a very primitive and almost world-wide ritual. The rise of the Indian drama, or the mediaeval and from it the modern stage, would have told us the same tale and served the like purpose. But Greece is nearer to us to-day than either India or the Middle Ages. Greece and the Greek drama remind me that I should like to offer my thanks to Professor Gilbert Murray, for help and criticism which has far outrun the limits of editorial duty. J.E.H.
