

Stonefish (Paperback)

By Elizabeth Raum

Amicus Ink, United States, 2016. Paperback. Book Condition: New. 236 x 160 mm. Language: English . Brand New Book. All of these animals from the mostly innocent black widow spider to the deadly taipan snake have one thing in common: they use venom, or poison, for defense. Read about how these poisonous animals survive in their natural habitats and what part they play in the food chains and ecosystems in which they live. The question and answer feature throughout the book promotes reader inquiry, while the list of resources encourages further research and learning. This photo-illustrated book for elementary readers describes the poisonous stonefish. Readers learn how these ocean animals use stingers on their backs to defend against predators. Also explains the threat of these stings to humans and what to do when stonefish are encountered.

Reviews

It is easy in read through easier to fully grasp. it had been writtern very completely and useful. I am pleased to let you know that here is the greatest book we have read during my personal life and could be he very best book for possibly.

-- Miss Marge Jerde

It is really an remarkable publication i actually have possibly study. It usually is not going to cost excessive. Its been written in an exceedingly basic way and is particularly only right after i finished reading this publication through which basically transformed me, affect the way i think.
