Reviews

This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).

Profile Books Ltd. Paperback. Book Condition: new. BRAND NEW, Missing, Sam Hawken, Jack Searle is an American widower, bringing up his two stepdaughters Lidia and Marina alone in the border town of Laredo after losing his wife to cancer. Jack often takes the girls to visit their Mexican family over the border in Nuevo Laredo. Marina, the elder sister, persuades him to let her go there without him one night, to attend a concert with her cousin Patricia. Jack wants to say no - Nuevo Laredo is a very dangerous city, controlled by drug cartels and devastated by violence and corruption. But eventually he agrees - she's growing up and he has to let her have some independence. Marina and Patricia head out to the concert, but they never come back. A frantic hunt for them begins, with Jack leading the way. But this is Nuevo Laredo, and girls go missing all the time here. They're lucky to find that a good cop - Gonzalo Soler - is leading their investigation, but soon the whole police force is suspended due to endemic corruption. The army take over the city, and finding the missing girls is not their priority. To survive this nightmare and have any chance of finding Marina and Patricia, Jack and Gonzalo must take the law into their own hands. Their efforts to find the girls become more and more dangerous, and they uncover truths about the city of Nuevo Laredo that neither one of them ever wanted to face.
