Asian Art Museum of San Francisco. 1 Paperback(s), 2008. soft. Book Condition: New. One of the least-known treasures of San Francisco's combined Asian Art Museum and Chong-Moon Lee Center for Asian Art and Culture is its collection of Persian ceramics. This beautifully illustrated catalogue focuses on 47 such works, with page-filling color plates, additional photos, and concise descriptions placing the objects in context of Persia's exceptionally rich cultural heritage. Here are surprisingly well-preserved ancient works (4,000600 BC) representing a range of cultures and functions, as well as colorfully decorated fine ceramics from the early Islamic era (7th through 11th centuries AD), the introduction of fritware (12th century), and objects for trade with Western markets (17th and 18th centuries). 128.
