

A Geography of New State: Physical and Descriptive (Classic Reprint) (Paperback)

Filesize: 8.49 MB

Reviews

The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).

(Payton Miller)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Geography of New State: Physical and Descriptive Beyond a division of the subject into topics, i have not attempted to present any improved methods of teaching it. I might have exploited some of my own pedagogical fads, but from my experience with the teachers of the state, I take it they have enough good judgment to properly use this manual, without any worry on my part as to the orthodoxy of the methods employed. It has been my chief endeavor to gather and present geographical information, and the only suggestion I make is, so far as possible, the fact and the reason thereof shall go hand-in-hand. I know of no other region whose physiography is so interesting as that embraced in New York and the New England States, and I have therefore dwelt much on its physical geography, past and present. Inasmuch as the state owes its commercial supremacy mainly to certain of these physiographic features, I think it well to impress their importance upon the attention of the student. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
