Working it

By Kendall Ryan

Simon & Schuster. Paperback. Book Condition: new. BRAND NEW, Working it, Kendall Ryan, Straight-laced and well-mannered southerner Emmy Clarke is out of her depth in New York City's fashion world, but when she lands a job as an assistant at a modelling agency it seems like the perfect mix of business and pleasure. Working under the notoriously tyrannical Fiona Stone is a nightmare, but there's one distinct perk: ogling the ridiculously hot male models who parade through the office-particularly rising star Ben Shaw. Ben is everything Emmy's not: exquisitely gorgeous, highly paid, and well-travelled. He's also got more issues than Vogue. Emmy looks after Ben on photo shoots, but she refuses to become another one of his lusty groupies. Ben finds Emmy's refreshingly real attitude to be surprisingly attractive. Against a backdrop of the most fashionable cities in the world, casual flirting turns into an illicit affair, but when Ben's twisted past is revealed, and the bitter Fiona catches wind of their relationship, their careers and hearts are threatened.

Reviews

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It's been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.

Extremely helpful for all class of individuals. Better than never, though I am quite late in starting reading this one. I realized this publication from my dad and he suggested this ebook to discover.
