Reviews

It is an awesome book that we have possibly go through. It is actually writter in straightforward words and phrases and not confusing. It is extremely difficult to leave it before concluding, once you begin to read the book.

BACK TO SUNNY SEAS (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Back to Sunny Seas In the following pages I have endeavoured to recall my experiences during a trip to the West Indies and around the Spanish Main, not exactly as an ordinary tourist, although on the tourist route. I say not exactly as an ordinary tourist, first, because many of the places I had visited before when pursuing my calling as a sailor; and secondly, because the tourist season was really over. No one pretends that this part of the world is a desirable place to visit during the summer solstice, but during the winter it is delightful beyond the power of language to describe. But I want to make it perfectly clear that I was the guest of the great Royal Mail Steam Packet Company, whose hospitality to me was more generous and farther-reaching than I could ever have dreamed of receiving. Yet I would like to make it clear too, if possible, that I have subdued my natural bias in favour of the Company, so that I have written only what I believe to be literally and exactly true. That statement will no doubt be read with reservations. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally...
