

Theodore Roosevelt and the Assassin

Filesize: 7.04 MB

Reviews

Extremely helpful to all type of individuals. It really is basic but excitement inside the 50 % of the pdf. Its been designed in an remarkably basic way and is particularly only right after i finished reading through this book in which basically transformed me, change the way i believe.

Globe Pequot Pr, 2014. Paperback. Book Condition: New. Reprint. 15.24 x 20.96 cm. "John Flammang Schrank--a lonely Manhattan saloonkeeper--was obsessed with the 1912 presidential election and Theodore Roosevelt. The ex-president's extremism and third-term campaign were downright un-American. Convinced that TR would ignite civil war and leave the nation open to foreign invasion, Schrank answered what he believed to be a divine summons, buying a gun and stalking Roosevelt across seven Southern and Midwestern states, blending into throngs of supporters. In Chattanooga and Chicago, he failed to act. In Milwaukee, on October 14, Schrank crossed TR's path again--BANG! Theodore Roosevelt and the Assassin is the dynamic unfolding account of the audacious attempt on Roosevelt's life by a lone and fanatical assailant. Based on original sources including police interrogations, eyewitness testimony, and newspaper reports, the book is above all a fast-paced, suspenseful narrative. Drawing from Schrank's own statements and writings, it also provides a chilling glimpse into the mind of a political assassin. Rich with local color and period detail, it transports the reader to the American heartland during a pivotal moment in our history, when the forces of progressivism and conservatism were battling for the nation's soul--and the most revered man in America traveled across the country campaigning relentlessly against Howard Taft, Woodrow Wilson, and Socialist Eugene V. Debs in what historians agree was the first modern American presidential contest"-- Our orders are sent from our warehouse locally or directly from our international distributors to allow us to offer you the best possible price and delivery time. Book.
