

The Apocalypse Code: Find Out What the Bible Really Says about the End Times and Why It Matters Today (Paperback)

By Hank Hanegraaff

Thomas Nelson Publishers, United States, 2010. Paperback. Book Condition: New. 212 x 134 mm. Language: English . Brand New Book. Hank Hanegraaff reveals the code to Revelation. Breaking the code of the book of Revelation has become an international obsession. The result, according to Hank Hanegraaff, has been rampant misreading of Scripture, bad theology, and even bad politics and foreign policy. Hanegraaff argues that the key to understanding the last book of the Bible is the other sixty-five books of the Bible not current events or recent history and certainly not any complicated charts. The Apocalypse Code offers sane answers to some very controversial questions: What does it mean to take the book of Revelation (and the rest of the Bible) literally? Who are the Antichrist and the Great Whore of Babylon, and what is the real meaning of 666 ? How does our view of the end times change the way we think about the crisis in the Middle East? Are two-thirds of all Jews really headed for an apocalyptic holocaust? The Apocalypse Code is a call to understand what the Bible really says about the end times and why how we understand it matters so much in today's world....
