Toward the Livable City

By Emilie Buchwald

Milkweed Editions. Paperback / softback. Book Condition: new. BRAND NEW, Toward the Livable City, Emilie Buchwald, Toward the Livable City is intended for commuters, suburbanites, and city dwellers concerned about making their lives more livable and interested in knowing what that might mean. Combining first hand accounts of the attractions and distractions of city life, this book also introduces a wide range of perspectives about creating successful, livable cities, with examples from across America and around the world. The book conveys what leading thinkers--including James Howard Kunstler, Jane Holtz Kay, Tony Hiss, Phillip Lopate, Bill McKibben, Myron Orfield, and John Powell, among others--say about such topics as smart growth, opportunity-based housing, traffic calming, pedestrian rights, regional planning, riverfront redevelopment, urban agriculture, and the pleasures of a saunter down tree-lined streets to restaurants, theatres, shops, with the presence of other people. The mayor of Curitiba, Brazil, closed downtown streets to cars and built bus stops that load and unload passengers with the same speed as subways. In Boston, urban agriculture produces more than 10,000 pounds of vegetables each season. Minneapolis has redeveloped its riverfront while Manhattan ponders what to do along the Hudson. With these and other examples, Toward the Livable...

Reviews

This pdf is wonderful. It is definitely simplified but excitement from the 50 percent in the ebook. You won't sense monotony at any time of your time (that's what catalogues are for relating to should you request me).

-- **Jaqueline Kerluke**

I just started looking at this pdf. It can be really fascinating through studying period of time. It's been printed in an extremely basic way and is particularly only following I finished reading through this publication where in fact altered me, change the way I really believe.
