

The Little Book of Gross Motor Skills: Little Books with Big Ideas (78) (Paperback)

Filesize: 8.62 MB

Reviews

These types of book is the greatest ebook readily available. I was able to comprehend every little thing using this published e pdf. I realized this pdf from my dad and i encouraged this publication to discover.

(Dr. Porter Mitchell)

THE LITTLE BOOK OF GROSS MOTOR SKILLS: LITTLE BOOKS WITH BIG IDEAS (78) (PAPERBACK)

Bloomsbury Publishing PLC, United Kingdom, 2012. Paperback. Book Condition: New. 206 x 144 mm. Language: English . Brand New Book. Gross and fine motor skills are a prerequisite for writing and without developing these skills effectively, learning how to write can be a near impossible task. This book is aimed at all those working within Early Years settings, who wish to develop children s motor skills. With the expansion of technology, the demands of busy lives and the increase in stranger danger, children s upbringing is very different today. Children are not experiencing the daily activities that help to develop core stability, balance and physical strength. As a teacher within the EYFS, Ruth noticed the increasing number of children entering her setting with physical developmental delay and has written this book to provide practitioners with some simple but effective activities to help develop gross motor skills.
