WHEN SUPER-APES PLOT (PAPERBACK)

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.DAWN in the Borneo jungle! The rising sun shone down upon what may have been the strangest sight seen in that vast wilderness since the beginning of time. A dark and gloomy lake, some ten miles wide, lay shimmering beneath gray mists which rose like clouds of steam from its glassy surface; here and there this surface was broken by waterspouts which constantly boiled up and fell back again as though heated from the depths beneath by gigantic fires. On all sides was virgin jungle. A dense rank growth of trees and vines rose up from the very edge of the water like a living wall, hemming in the lake with an almost solid mass of vegetation which reached unbroken for miles and miles.
