Explainer HQ. Paperback. Book Condition: new. BRAND NEW, Exposing with a flash!: a how-to guide for mastering exposure when using hot shoe flash, Saul McKeon, A no-nonsense guide to learning how to expose correctly and creatively for hot shoe flash. The journey begins by mastering how to expose correctly for flash, followed by a look at how changing the position of the flash unit affects the final image. The workshop concludes by examining how snoots, grids and gels affect the exposure. Through the Photographer's Workshop Series we focus on exploring how to master one technical aspect of photography at a time, which: allows each handbook to be concisely written and tightly focused upon its particular topic (making it ideal for busy people), enables enthusiasts to build up their knowledge and skills at their own pace, and caters for experienced photographers who can reach straight for the handbook they need to quickly fill a gap in their skill set. By the end of this workshop, the reader will be bursting to utilize flash in their pictures, rather than thinking of it as a necessary evil for low light situations!.
