

From Bloody Shirt to Full Dinner Pail: The Transformation of Politics and Governance in the Gilded Age (Paperback)

Filesize: 5.05 MB

Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

Hill Wang Inc., U.S., United States, 2011. Paperback. Book Condition: New. 208 x 137 mm. Language: English . Brand New Book. In the wake of civil war, American politics were racially charged and intensely sectionalist, with politicians waving the proverbial bloody shirt and encouraging their constituents, as Republicans did in 1868, to vote as you shot. By the close of the century, however, burgeoning industrial development and the roller-coaster economy of the postwar decades had shifted the agenda to pocketbook concerns the tariff, monetary policy, business regulation. In *From Bloody Shirt to Full Dinner Pail*, the historian Charles W. Calhoun provides a brief, elegant overview of the transformation in national governance and its concerns in the Gilded Age. Sweeping from the election of Grant to the death of McKinley in 1901, this narrative history broadly sketches the intense and divided political universe of the period, as well as the colorful characters who inhabited it.
