Some books do not only fulfill this aim but also have a message. Young children should learn something important by reading those books. Those books are relevant for children s literature because the children enjoy learning when the story is good and interesting. But what makes a book a relevant book Is it only the message, only the story, the characters or all of those This essay will show if Jerry Spinelli s books Stargirl, Loser and Winger do have a relevance in children s literature and why by characterizing the protagonists and by finding out what Spinelli s messages are. Those three books have been chosen because the protagonists are outsiders and therefore the books are of comparable topics. 28 pp. Englisch.
