Raj Publications, New Delhi, India, 1996. Softcover. Book Condition: New. The participation of Subhas Bose in the freedom movement is unique in the History of India. He was a great patriot, a superb organiser, founder of Forward Bloc and the Indian National Army. Netaji as he was called by everybody, he was President at Haripura and Tripuri sessions of the Indian National Congress His early career in the college and, later on, his resignation from I.C.S. clearly show that he was meant for higher aims in life. His main aim indeed was to attain Swaraj for his motherland. His unique services would always he remembered by the coming generations This work would be useful for teachers, research scholars and students in India and abroad. Others would find it an interesting study of his carter devoted to the freedom struggle. Printed Pages: 328.
