

George Osborne: The Austerity Chancellor (2nd Revised edition)

Filesize: 8.36 MB

Reviews

This book will never be straightforward to start on reading through but quite enjoyable to learn. Better then never, though i am quite late in start reading this one. Your lifestyle span will probably be convert once you complete reading this publication.
(Dr. Kadin Hane DVM)

GEORGE OSBORNE: THE AUSTERITY CHANCELLOR (2ND REVISED EDITION)

Biteback Publishing. Paperback. Book Condition: new. BRAND NEW, George Osborne: The Austerity Chancellor (2nd Revised edition), Janan Ganesh, George Osborne is the most controversial Chancellor of the Exchequer since the Second World War. His austere policies have incited international debate, and his political influence over the government provokes resentment. He is also a survivor with an eye on the premiership. Having authored the most hated Budget of recent times, he now presides over a recovering economy. This is the story of Osborne's breathless ascent to power: a journey driven by luck, guile, resilience, daring and ferocious ambition. As a back-room adviser, MP and Cabinet member, he has enjoyed a starring role or front-row seat at all the Tory dramas since the fall of Thatcher and the dog days of the Major government, from the party's long years in opposition to its eventual and incomplete resurrection. Yet rarely have voters known so little about a politician with such sway over their lives and livelihoods. Fully updated to include Osborne's role in the economic recovery, his appointment of Mark Carney as Governor of the Bank of England, and his prospects as a future Prime Minister, this biography makes sense of a man who is both a personal enigma and a political machine. Based on exhaustive research and access to the innermost parts of the government, it tells the story of George Osborne and the era he has helped to shape.
