Grantha Corporation. Paperback. Book Condition: new. BRAND NEW, Purple Lotus, Ratna Rao Shekar, Thirteen stories that are vignettes of life: of men and women who love, dream, and more importantly, who move with the natural ebb of life. Can someone you met on a transatlantic flight be your soul mate? Why is it that two people fail to connect in any meaningful way despite their best intentions and efforts? What of the ailing man who cant stop thinking of the young girl who was a part of his youthful fantasy? These and other refreshing stories from this debut collection explore the finer aspects of love, longing, regrets of failed connections, in ways that the reader will identify with. Set in different cities and towns across the country and across countries, these are journeys of relationships, migrations, and anticipation. With engaging moments drawn from memories and fantasies, the stories try to make sense of past and present, of cultural roots and the demands of modern life, and of the passage of time when you want to keep it within grasp.
