When I reflect on the miracle of starlight, the pull of the moon, the orbit of the earth, and the mysteries of space, I feel small and insignificant. But then I consider how much order and brilliance it took to construct this night sky, and I know what I need to know to have hope: The same care and attention went into the creation of me. Connecting with the Creator after a busy day can fill the mind with rest and the heart with peace. These simple devotions for morning or evening will help readers to look to God at the start and finish of their day; trust Him with moments of care and joy; and, know God and be touched by His loving kindness. This little book of prayers is the perfect companion for amazing days and days needing amazing grace.
