One Eye Press, United States, 2014. Paperback. Book Condition: New. 201 x 124 mm. Language: English . Brand New Book ***** Print on Demand *****.Once, he had imagined himself slaying dragons and making the monsters pay. But his armor was wearing thin as the women who drifted through his office haunted him with the same, hard-bought lie: I want to drop the charges. Every bruised face and split lip reminded the prosecutor of the broken home he d escaped. So when Marisol Pierce appeared with an image of her son and a hint that she was willing to take a step away from the man abusing her, he made a promise he couldn t keep. A promise that could cost him everything. Now, he s in a race against time to find the boy, save the damsel, and free himself from a dragon no one can leash before everything in his world is burned to cinders. This is his last chance to be a White Knight. Some men only know how to do hard things the hard way.
