

## Come to Beautiful Ruston: A Wonderful Place to Live (Paperback)

Filesize: 1.04 MB

### ***Reviews***

*Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Come to Beautiful Ruston, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Come to Beautiful Ruston is a photographic essay about a college town in north central Louisiana. As a Louisiana Tech student from 1961 to 1965, the author worked as a photographer in the journalism department, and contributed photos to the Lagniappe yearbook, Tech Talk newspaper, Ruston Daily Leader newspaper and other publications. This booklet was a one-off, a creative whim, filmed on a weekend after enlisting friends as models. After graduation the thin volume followed the author in moves from Louisiana to Texas, Massachusetts, California, Massachusetts, New Mexico, and Massachusetts. The cover gained a scar from a hot coffee cup, and the pages were wrinkled, having survived a flooded basement. Most of the time the booklet stayed on a shelf, and was occasionally taken down and examined. As the author got older, the photograph s captions seemed increasingly sophomoric, and downright cynical - the product of a bored student poking fun at a quite-nice college town. Then one day he realized the booklet was a half-century old, and that the photographs might be of interest. Surely Ruston had changed in fifty years. A few modern notes complement the photographs.
