Forgotten Books, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from From Workhouse to Westminster: The Life Story of Will Crooks This record of the career of a man whom I have known intimately in his public and private life for over a dozen years can claim at least one distinction. It is the first biography of a working man who has deliberately chosen to remain in the ranks of working men as well as in their service. From the day in the early nineties when he was called upon to decide between a prospective partnership in a prosperous business and the hard, joyless life of a Labour representative, with poverty for his lot and slander for his reward, he has adhered to the principle he then laid down, consistently refusing ever since the many invitations received from various quarters to come up higher. There have been endless biographies of men who have risen from the ranks of Labour and then deserted those ranks for wealthy circles. Will Crooks, in his own words, has not risen from the ranks; he is still in the ranks, standing four-square with the working classes against monopoly and privilege. This book would have been an autobiography rather than a biography could I have had my way. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
